## GET TO KNOW OUR BUDDY.

Everyone's Buddy. Practical transportation for your daily commute, or just plain FUN for blasting around the neighborhood in style! With a two-year unlimited mileage warranty and one free year of "Genuine Confidence" (see details below) you have every reason to be confident. You've got a GENUINE BUDDY!

With 49cc of eco-friendly power, the Buddy 50 will take you and a passenger around town in style. You'll breeze past the fuel pump, enjoying up to 125 miles per gallon!

The Buddy 125 has a powerful, clean and efficient powerplant that is well-known for its remarkable engineering. You'll feel the quiet, torque power all the way past 60 mph...and with efficiency around 100mpg, that power comes with a small price tag!
